from the District Superintendent of Police, Coimbatore.

SUBJECT.

Printed forms for the Asst. Superintendent of Police, Coimbatore.

The proposal referred to in para 1 of the D.I.P.'s Letter is not possible. During the current year the sum of Rs 110-12-6 due to readers has to be credited in its account, posters in use for forms supplied, it should be adjusted duly from the Police budget. The Police Dept. having been thus served a quantity of paper, there is indent for the next year for that kind of paper has been proportionately reduced.

2. With regard to para 2 of the D.I.P.'s Letter it may not perhaps be out of place to address the Govt. Press readers, for Police forms, for that Press will print quantities of forms sufficient to meet the requirements of the readers. Police A trial may however be made, but the D.I.P. showed fear an indent of the forms required.

from the District Supt of Police, Cox's Station, Bangalore

SUBJECT.

Printed forms for the use of the Dist Supt of Police, Cox's Station, Bangalore.

At the instance of the Dist Supt of Police, Cox's Station, an indent for forms was sent to the Inspector General of Police, Madras, for compliance, free of charge, if possible. In furnishing certain forms on requirement, the Inspector General of Police said that the Residency should make its own arrangements for the supply of forms. Thereupon, the Dist Supt of Police suggested obtaining these forms from the Govt Press, Madras & he was asked to ascertain whether the forms could be supplied by that Press. The Superintendent of the Press has replied that it will save time if applications for printed forms should be made to the Inspector General of Police, Madras, who keeps in stock, in accordance with the procedure adopted in the case of Bangalore Police Stores, & the Dist Supt of Police requests that the Inspector General might be addressed accordingly.

As the Inspector General of Police has already informed the Residency to make its own arrangements for the supply of the required Police forms, it does not seem advisable to communicate with him further on the subject. If approved the D.P. may be told to explain to the Supdt of the Press the result of the reference already made to the Inspector General of Police & to ascertain whether the Press will undertake the supply of forms required by the Local Police. If the Press cannot undertake the supply, the forms can be got printed in the Residency Press.

With regard to supply of printed forms, these forms will, if permitted, be printed here. This is new work for our Press. If approved, the Police Office may be asked to send us the sample forms mentioning thereon the number of copies required of each.

After printing, these forms will, as usual, be sent to the Controller, who has undertaken to deliver the same as our outturn of our Press.

If printed in our Press, the forms will of course be supplied free of charge. If required for sale in form in which it will be sold it must be cheaper to get them from Bradbury

The District Magistrate,

Sir,

I have the honour to state that the Revised Station Police orders which, as you are aware, were finally approved in December last are now in the press. I am anxious to introduce, as early as is possible, the changes sanctioned in the Revised Orders. For this purpose certain registers and forms are necessary at once: these are identical with those used in Madras and I therefore suggest that they may be obtained either direct from the Superintendent of Stationery Madras or through the Inspector-General of Police Madras on payment. This procedure would save a great deal of time and labour in my office in preparing specimen copies of the forms etc., and in the Honourable the Resident's Press in setting up type and printing. So far as I can see the cost would be the same as if all

the materials were procured and the printing done here. Such forms as are not procurable at Madras may continue to be printed here as heretofore.

If the Hon'ble the Resident approves of my suggestion, I request permission to submit an indent accordingly.

The District Magistrate,

Sir,

(Copy of the rule and the form is not available here. Copy obtained from the office of the Govt.)

I have the honour to state that the revision of the Treasury Guard Rules has been under my consideration for some time past.

2. A set of new rules were accordingly drafted by me and were first forwarded to the Officer in charge of the Hon'ble the Resident's Treasury for any remarks he might have to offer. He replied that the rules seemed to meet the requirements of the Treasury but was not sure if para 2 of Rule 14 providing for the affixing of the private seal of the Treasury officer in addition to the official seal on the outside of the Treasury door was necessary.

3. The rules with the Treasury Officer's reply were next forwarded to the Collector for an expression of his opinion. He has recommended the adoption of the Rules with a modification to the para referred to by Treasury Officer.

4. I have now the honour to submit the rules with the modification suggested inserted in them, and request that the

same

same may be sanctioned by the Hon'ble the Resident.

5. On receipt of sanction, the rules will be incorporated in the Station Police Orders.

Every entry in the roster should be signed.

15. The guard should always sleep near their arms at night and turn out at a moment's notice.

16. Neglect of guard duty will always be severely punished. It must be remembered that breaking into or attempting to break into a Treasury where there is a Police Guard is "prima facie evidence against the Police of neglect of duty" renders the guard liable to prosecution under Section 29 of the Police Act (Act V of 1861).

17. The sentries must challenge all persons approaching their posts after dark, and should call out in a sharp tone, "Halt - who comes there?" and if the person gives a satisfactory reply the sentry will say - "Pass friend; all's well," but if the person answers "Visiting rounds", he will at once turn out the guard.

To

P. B. Warburton, Esqr., I.C.S.,

First Assistant to the Hon'ble

the Resident in Mysore, Bangalore.

Sir,

With reference to your letter No. 6707 dated 7th instant, I have the honour to state that the supply of printed forms from the Inspector-General of Police, Madras, has considerably reduced the quantity of paper indented for 1912 and to request that in the circumstances the value of the stationery saved may be set off as a rebate against the claim of the Inspector-General. If this can be done, I shall on hearing from you report the quantity of paper actually saved by the forms from Madras, so that its value may be debited against the Assigned Tract Revenues "XXIII Stationery & Printing" & the balance paid from the Police budget.

2. As regards the latter portion of para I of your letter intimating the inability of the Inspector-General to supply the forms in future, I would suggest that the Superintendent of Government Press, Madras, might find no difficulty in supplying the forms and I would accordingly request that a reference be made to him. It would be an easy matter to forward through you an annual indent.

Dated Bangalore, 21st November 1911.

Sir,

With reference to your letter No. 210, dated the 13th November 1911, I am directed to say that as the claim of the Inspector General of Police, Madras, for Rs.110-12-6 is in respect of printed forms supplied to your office, no portion of that cost can be debited as suggested in your letter against the allotment for "Stationery purchased in the country" under the head "30 Stationery and Printing" and that the charge should be wholly met from the Police Budget.

2. As regards paragraph 2 of your letter, I am to suggest that you should first ascertain from the Superintendent, Government Press, as to whether the forms required could be supplied by him, on payment if necessary and then take the further action necessary in the matter through this office.

Note: Search lists should invariably be prepared in printed forms. If blank sheets are unavoidably used, the lists will be prepared in duplicate at the scene of search. With reference to the correspondence ending with paragraph 2 of your letter No. 7054 of 21st November last, I have the honour to forward herewith copies of the marginally noted correspondence for your information and to point out that the Banganpalle State gets the required supply of police printed forms and registers from the Inspector-General of Police Madras on application under G.O. Letter No. 987 dated 24-11-11, from the District Superintendent of Police, Civil & Military Station, Bangalore, to the Superintendent, Government Press, Madras.

I have the honour to state that under the revised Police Orders of the Bangalore Police, the forms and registers used are identical with those used by the Madras Police.

I am directed to enquire if you could supply the necessary forms etc., as supplied to the Madras Police, on indent either on payment or by other arrangement with the Hon'ble the British Resident in Mysore.

With referance to your letter No. 987, dated 22nd instant, I have the honour to state that it will be more economical and save time if application for the printed forms and registers required should be made to the Inspector-General of Police, Madras, who keeps a stock. This is the procedure sanctioned for Banganapalle State under G.O. No. 1789, Judicial dated 20th November 1911.

With reference to the correspondence ending with your letter No. 238, dated the 18th December 1911, I am directed to say that it seems to the Resident preferable to have the police force in question painted in the Residency Press. Indents on the Press should provide for a stock of 3 years' supply.
